PAIN REDUCTION

WHAT WE STILL NEED TO KNOW

A diagram of a signpost with a large circular sign at the top. The sign contains the text 'WHAT WE STILL NEED TO KNOW'. Below the sign, the post splits into two paths. The left path is indicated by a curved arrow pointing from the sign to the text 'Long-term safety and effectiveness of cannabis and CBD'. The right path is indicated by a curved arrow pointing from the sign to the text 'Standardized treatment protocols for chronic pain'.
